

Good evening, Windsor. I am your Mayor Paul Rennemeyer. Thank you for joining us for Windsor Wonderland and I am absolutely thrilled you have all joined us for our annual tree lighting ceremony. It brings me much joy to see the community come together and ring in more holiday cheer.

Year after year, we have partnered with the Windsor-Severance Food Pantry and Weld Elves to accept donations of packaged, non-perishable food items and toys for families that are less fortunate. Because of your generous donations, we have collected several pounds of food and toys to ensure Windsor families in need have a wonderful holiday.

We are a community of families, neighbors, and business owners who come together and continue to lift each other. We are a caring, supporting, and strong community and we encourage you to continue paying it forward.

Thank you for continuing to care and make Windsor strong. And now, for the moment we have all been waiting for, Santa, will you do us the honor of counting us down to LIGHT THE TREE!

10, 9, 8, Happy Holidays!
